WEDNESDAY, JUNE 5, 1907.

Every possible safeguard should be thrown around the organization of State Banks. Recent developments in Richmond emphasize the necessity for this. The minimum capita should at least be paid in cash before the institution begins its work. Banks are essential, but to re ul ful they must inspire absolute c nfidence; and in connection with their future management nothing should be agreed on, and that is directo s should direct, and if this can not be secured unless the office covers a salary then that should be provided for.

That was an ugly rumor which came out from Charlottesville as to the distinct sort of politics being mixed up in the anti-saloon fight which closed there on last Tuesday. The Progress denounced it by strong terms but did not undertake to settle the blame on either side The good morals of a community are not promoted by the accomplishing of a desirable result in an illegal and dishonest way No, not only that, but temperance in all things is the Bible rule.

Richmond covered herself with glory during the Reunion, and The Times-Dispatch was one of the biggest things of the occasion. We beg to extend our congratulations to Editor and Staff for their splendid work. It may be the last of such a gathering in the one time Capital City of the Confederacy, and if so it will live in history as the most memorable of them all.

Rothschild has gotten to be a confirmed pessimist. Maybe his trouble is dyspepsia. It's an unmanly whine that some of the magnates are putting up that Government must keep their hands off of Corporations or all will go to the bad. They are creatures and should be controlled.

It was said sometime since that many of the railroad accidents were due to over-worked employees, and now we are told that 100,000 of them would soon be discharged. That's a "danger signal" which the traveling public would do well to mark well.

We notice in some of our exchanges that a Catholic priest has ordered that none of the girl members of his congregation shall attend services in short sleeves and low necked bodies. That's a direct throw at the edicts of the goddess of fashion.

If the manufacturers of this country demand a reduction of the tarif who can say nay? The rest of us will hardly object. The farmers to a man will approve of it—of course they will not object to cheaper and better clothes.

Mantico.

I will give one short ring and start as I have not much to say nor the ability to say it, as our esteemed friend from Andersonville.

Did you ever see such a rainy Saturday as this is? So cold, wet and calm.

Mr. and Mrs. Geo. W. Patteson attended the Reunion in Richmond this week. Mr. Patteson is the youngest Confederate soldier in Buckingham county, and I dare say there were none better, regardless of age.

Mrs. Eva Logans, of Roanoke, left last Wednesday after spending some time at the home of Mr. and Miss Boatwright.

Dr. Charles McCollough, of Howardsville, is attending Mr. Geo Wooden, who cut his knee with a broad axe. We are glad to report him as letter under the skillful care of his doctor.

Messrs. G. W. Patteson & Co. unloaded a car of western corn this week.

There is a fine lot of bridge timber on the banks of Sycamore creek, but we want to hear the hum of the saw and hammer.

Among those who attended the Reunion were, H. D. Omohundro, C. L. Davis, Dick Wooden, Calvin F. and E. P. Robertson.

Dr Samuel R. Glover is back from college with his shingle ready to tack up, and we trust he may decide to stay at home for we are sadly in need of a doctor.

We are glad to report Mrs. John W. Layne about well, after a very severe spell of gripp.

Mrs. Sue C. Gibson is reported as being improved, and she is expected home some time this month, much to the delight of her many friends.

Dr. G. L. Morris, of Buckingham, was in our town Sunday last.

Rev. W. P. Provience delivered a very able sermon to a full house at Woodland Church on last Sunday.

Mrs. J. C. Hughes and little son, Lucy, are spending some time at the home of her brothers, G. W. and J. R. Cunningham.

Your correspondent has had the pleasure of receiving souvenir cards from our beloved Dr. T. H. Lucy across the waters.

Mr. and Mrs. F. R. Moon, Miss Louise B. Horsley and Miss Kate Boatwright attended the Reunion of the old Confederates in Richmond.

Hubard.

DEAR TIMES:—As I have not seen anything from the correspondent at Hubard I will give you a few items.

We have had a splendid rain which gives the farmers a good season for planting tobacco and they are making good use of their time.

Owing to the bad weather we failed to have any preaching at Mt. Tabor last Sunday. Our good pastor was there and it seems the people could have gone. I think we all should try to go to hear such a good preacher.

Protracted meeting will commence there the 5th Sunday in June. All day services.

Our hearts are very much pained at the continued illness of Mr. W. B. Simpson's little baby. We hope it will soon be on the road to recovery. We cannot understand why such a good man should have so much afflictions.

Mr. E. L. Buttons people have all been sick with measles, but are getting better.

Mrs. Annie L. Carnefix and two children have returned from Lynchburg, where she has been visiting her brother, Mr. Z. J. Gunter. He accompanied her home, but returned next day to his business.

What has become of the Wildsay and Vera writers? I reckon they must stop these long days. Wake up, dear writer, and let us hear from you.

The gardens are looking well considering the cool weather.

Mr. Province, father of Rev. W. P. Province, is very ill.

Wishing THE TIMES much success, I close.

Female Weakness
"Last Fall," writes Mrs. S. G. Bailey, of Tunnelton, W. Va., "I was going down by inches, from female disease, with great pain. After taking Cardui, Oh! My! How I was benefited! I am not well yet, but am so much better that I will keep on taking Wine of Cardui till I am perfectly cured."
Despite the envious attacks of jealous enemies and rivals, Cardui still holds supreme position today [as in the past 70 years] for the relief and cure of female diseases. It stops pain, tones up the organs, regulates the functions, and aids in the replacement of a-misplaced organ.

NATURE'S GREAT BLOOD TONIC
Piedmont-Bedford Concentrated Iron & Alum Water
(Representing the Famous Bedford Alum & Iron Springs of Va.)
contains 17 of the most powerful Mineral Tonics.
An 18-oz. bottle contains all the minerals in a barrel of the average water. **We furnish the minerals, you furnish the water.**
We have certificates both from the public and from eminent physicians, telling of its virtue in **Dyspepsia, Rheumatism,** a large variety of **Female Diseases, Chronic Diarrhoea** and **Dysentery, General Debility, Anaemia, Malar a, Ulceration** of the **Throat, Diabetes, Piles, Chronic Eczema, Nervousness, Chronic Constipation,** and many showing the wonderful cures in that dreadful disease, **Scrofula.**
DR. T. L. KABLER, for fifteen years a resident at the Springs, says: For *Scrofula*, that fearful destroyer of human health and happiness, we have in this water *a remedy which neither science nor fortunate accident has hitherto found an equal.* It is in this malady, and *some forms of secondary and tertiary Syphilis, that this water when carried to its full alterative effect, displays its highest curative powers. In all forms of diseases peculiar to females, this water will be found to exert a curative influence second to none in Virginia.*
I have given your Concentrated Water a fair trial, and by with pleasure I have been greatly benefited. For some years I have suffered more or less with Indigestion, followed by Constipation and other attendant ills. Within the past two months I have found such relief from your remedy that I have improved in strength and weight; have eaten what I have not dared to do for a long time, and have done harder work than I have been able to do before for years.
REV. OSCAR LITTLEJOHN,
Presiding Elder, Lynchburg, Va.
Since 1894 I have been afflicted with Chronic Diarrhoea. About six months ago I commenced using your Concentrated Iron and Alum Water with the most wonderful and satisfactory results. For three or four years past I have been deprived of the privilege of visiting friends or going to church, as my trouble kept me in constant apprehension, having for almost entirely the control of my bowels; but now I am happy to state that after using about a half dozen bottles of your remedy I am entirely cured, and am having used any for the last four months. I am confidently and most gladly recommend your remedy for Chronic Diarrhoea.
CAPT. RUFUS AMIS, Virginia, Va.
I was an intense sufferer for some months with Indigestion, and could get no relief from the ordinary remedies. During the months of January I began the use of your Concentrated Water, and one bottle has entirely relieved me. I can now digest any diet and am entirely free from suffering. I take great pleasure in giving this testimonial.
Rev. H. M. BLAIR,
Editor *N. C. Christian Advocate*,
Greensboro, N. C.
I have used and prescribed waters from several Iron and Alum Springs, but none of them begin to come up to your Concentrated Water in all that goes to make the ideal alterative, strengthener, appetizer and restorative. It is at once a fine tonic and flesh-builder. Have advised several recently to try it, and always with fine and quick results. In January I had a bottle sent from one of your dealers to a lady, with the understanding that if it did not at once lessen her suffering she would pay for it. It relieved her. She not only willingly paid the bill, but used a part of another dozen more bottles, and is now completely cured of a long and distressing stomach Trouble. This seems to be the case with all who try it.

Messrs. L. L. Strickland and W. J. Wayland, of Lynchburg, were visitors in the village last Sunday.

Miss Mary Irby, who has been attending the Blackstone Female Institute, came home last Thursday.

Mr. and Phil Purdum and Walter Wooldridge went up to Lynchburg yesterday with heavy loads of tobacco.

Mrs. M. A. Howard, of Ohio, who is a sister of C. W. Burton, lost a daughter last week. Mrs. Howard is a frequent visitor to this county.

Mr. W. A. Agee has returned from a visit to Richmond and Jamestown. His little grandchild, Annie Hazel Agee, returned with him for a visit.

Mrs Clementine Watson Boles is visiting at Mr Ed Owen's near Oakville She is the Arkansas director of the Jefferson Davis monument and is enjoying a visit over the old battlefields of Appomattox before returning to her Western home

Mr. E. M. Taylor, who has been suffering with a complication of diseases for some time, and finally went to Richmond for an operation, died there Sunday morning. His remains were brought back to this county for interment which took place at his old home on Stonewall Creek yesterday. The deceased was probably the best natured man in the county, and was greatly esteemed by a wide circle of friends, who will regret to learn of his death. He was 65 years of age and had served his county faithfully in war and in peace. He leaves two sons and many relatives. He will be greatly missed in his community.

We learn that at the unveiling of the J. E. B. Stuart monument at Richmond last week the Appomattox Camp of Veterans elicited more applause than any others in the parade, as they passed along streets of the city, on account o the fac that they had a woman as the head of the column beside the company ensign, each of whom carried a confederate flag On the march to camp met up with an old lady from New Orleans carrying a confederate banner, who had seen 85 summers; she had lost her camp, and had buried six sons in the war; and herself had been a nurse in the army of Northern Virginia. She fell in with the Appomattox Camp and soon entered into conversation with the Worthy ensign, who wore the stocking toboggan on his head, at the head of the line, telling him she was a widow, (he being himself a widower) that if he was sick she would nurse him and do all she could for him, and if he died she would prepare him nicely for the grave, but that she would not marry him. Unfortunately the Times-Dispatch reporter had them as man and wife, when they had really never seen each other before, and the worthy color-bearer is still a widower, but we would not be surprised at any time to hear that he had lift for the Crescent City on the Gulf.

Appomattox Boy Weds.

We take the following notice from Rosa Pearle's paper, Sedalia, Mo:

The wedding of Miss Ada Stanley to Mr. Harold Holmes Ingesas announced elsewhere, will take place at Calvary Church, this city, Saturday evening, June 22. Miss Stanley is the younger daughtee of Mr. and Mrs. A. D. Stanley—the former the president and manager of the Sedalia Democrat-Sentinel Publishing Company, and the latter prominent in West end social circles—and is a pretty and highly educated young girl. She was graduated from the Sedalia high school and afterward spent a year at Hosmer hall, St Louis. From Hosmer, she went to Vassar and there won much favor because of her capable work. She is also a pianist of ability and in every way calculated to make an ideal wife. Mr. Inge is the only child of Mr. and Mrs. G. W. Inge, former well-known residents of this city, now of Kansas City. He was educated at the public schools here; in the Virginia Military Institute and the Missouri State University. He now holds the position of rate clerk for the Missouri Pacific, with headquarters at Little Rock, Ark., and both here and wherever known, no young man is held in higher esteem Miss Stanley will have for her maid of honor, Miss Marguerite McDaniel and for her maids, Misses Nellie White, a Vassar schoolmate, who arrived last night from her home in Weatherford, Tex., and Miss Louise Maltby, daughter of Mr. and Mrs. A. N. Maltby of Kansas City.

Three Disasters:
Common with Credit Houses. One said: "I will pay you Saturday night if I live." HE'S DEAD. Another said: "See you tomorrow." HE'S BLIND. Still another: "I hope to pay this week or go to H——." HE'S GONE.

Moral:
Spend your cash with a cash house (Thats us) where you don't have to pay for these misfortunes.

MONTOONA
is now standing at my farm three-quarters of a mile from Appomattox depot. I am attending to him myself this season and hope to give the people better service than they had last Spring. Montoona is not only a prize winner himself but has several colts that have won first prizes at Fairs and Horse Shows in all parts of the State. In breeding to Montoona you get a horse that has all the size you want for farm and they hook up and drive good. And most of them are good saddlers; taking as a whole they make an ideal farm horse, and when you go the market to sell them they have reputation enough to sell them themselves, and will always bring from twenty-five to fifty dollars more than a horse whose breeding is not known or that has none. I am not getting over half the money that the party from whom I got him charged, and there is not a horse in the State that has as good breeding that is standing for as small sum Any one wishing his pedigree can get it by dropping me a postal. I take pleasure in showing him to you at any time, as well some of his colts. J. O. O'BRIEN,
